MINUTES

Meeting Council of Academic Deans December 17, 1991

Dr. Robert V. Haynes called the meeting to order at 9:00 a.m. Members present included Drs. Carl R. Martray, Charles E. Kupchella, Ronnie N. Sutton, Elmer Gray, Michael B. Binder, J. Michael Brown, John H. Petersen, and Livingston Alexander. Dr. David Lee represented Dr. Ward Hellstrom.

The minutes of the December 10, 1991, meeting were approved as presented.

Dr. Haynes began the meeting with a discussion of proposals from academic departments seeking funds from the Academic Excellence Funds. Each academic dean prepared a ballot ranking the proposals, although they could not rank proposals from their own college. Dr. Haynes indicated that the ballots will be considered in determining which proposals are funded.

Next, Dr. Sutton presented a proposal to use a Memorandum of Agreement form which would authorize the cross-listing of courses in some circumstances. According to Dr. Sutton, instituting the form would limit significantly the number of university courses cross-listed with the Community College. Following discussion, the council approved the forms, although Dr. Haynes indicated that a few revisions should be made.

Dr. Martray called attention to the need for a mechanism to evaluate proposals from out-of-state institutions to offer for-credit courses to students in Kentucky. He indicated that recent experience suggests that such instructional efforts are questionable in academic merit. Dr. Haynes responded that he would take the issue up again in the next Council of Chief Academic Officers meeting.

The meeting was adjourned at 11:45 a.m.

Respectfully submitted,

Livingston Alexander
